ATUALIZAÇÃO:
05/03/24

VARIAÇÕES DE TONALIDADE VARIATIONS OF TONALITY - VARIACIONES DE TONALIDAD		LOCAL DE USO - SITE OF USE	
	V1 Aparência uniforme, onde as variações de cor entre as peças são mínimas. Uniform appearance, where the color variations between the pieces are minimal. Apariencia uniforme, donde las variaciones de color entre las piezas son mínimas.	LA	Revestimento interno para paredes, não indicado para uso em pisos. Internal wallcovering not suitable for use on floors. Revestimiento de pared interno no adecuado para uso en pisos.
	V2 Pouca variação entre as peças, mas claramente perceptíveis dentro do padrão de cor e desenho. Slight variation between parts, but clearly noticeable within the pattern of color and design. Poca variación entre las piezas, pero claramente perceptibles dentro del patrón de color y diseño.	LB	Indicado para tráfego leve de pessoas (uso interno em áreas privativas em residências e condomínios) sem acesso para áreas externas. Não indicado para cozinhas, corredores e garagens. Indicated for light traffic of people (internal use in private areas in residences and condominiums) without access to external areas. Not suitable for kitchens, corridors and garages. Indicado para el transporte de personas (uso en áreas privativas en residencias y condominios). No indicado para las comidas, corredores y garage.
	V3 Variação moderada, intensidade de cor de cada peça e desenho pode variar significativamente onde a cor dominante de uma peça se encontra presente, mesmo que discretamente, mas outras peças. Moderate variation, color intensity of each piece and drawing can vary significantly where the dominant color of a piece is present, even if discreetly, in other pieces. La variación moderada, la intensidad de color de cada pieza y el diseño puede variar considerablemente en donde el color dominante de una pieza se encuentra presente, aunque sea discretamente, en las otras piezas.	LC	Ambientes residências (exceto garagens) e locais com tráfego mediano de pessoas sem trânsito de equipamentos e sem acesso para áreas externas (áreas comuns de condomínios, consultórios, corredores de hotéis, etc). Residential environments (except garages) and places with medium traffic of people without equipment traffic and without access to external areas (common areas of condominiums, offices, hotel corridors, etc). Ambientes residenciales (exceto garajes) y locales con equipos medianos de personas sin tránsito de equipos y sin acceso a áreas externas (áreas comunes de condominios, consultorios, corredores de hoteles, etc).
	V4 Grande Variação, com o objetivo de retratar melhor o resultado estético de elementos, as peças poderão ser totalmente diferentes entre elas. Substantial variation, in order to better portray the aesthetic result of elements, the pieces may be totally different from them. Gran variación, con el objetivo de retratar mejor el resultado estético de elementos, las piezas podrán ser totalmente diferentes entre ellas.	LD	Ambientes residências e comerciais com tráfego intenso de pessoas com trânsito eventual de equipamentos leves (hall de hotéis, edifício comercial, escolas, hospitais, etc). Residential and commercial environments with heavy traffic of persons with occasional transit of light equipment (hotel hall, commercial building, schools, hospitals, etc). Ambientes residenciales y comerciales con intensidad de persona con tránsito eventual de Equipos leves (sala de hoteles, edificio comercial, escuelas, hospitales, etc).
		LE	Todos os ambientes residenciais, comerciais e externos com altíssimo tráfego (praças públicas, metrô, aeroportos, supermercados, corredores de shoppings centers, etc). All residential, commercial and external environments with high traffic (public squares, subways, airports, supermarkets, shopping center corridors, etc). Todos los ambientes residenciales, comerciales y exteriores con altísimo tráfico (praças públicas, metrô, aeroportos, supermercados, corredores de centros de compras, etc).
		LU	Todos os ambientes residenciais, ambientes externos molhados (não indicado para assentamento em rampas). All residential environments, wet outdoor environments (not suitable for ramp settling). Todos los ambientes residenciales, ambientes externos molhados (no indicado para asentamiento en rampas).

AS CORES INDICADAS NESTE FOLDER PODEM SOFRER ALTERAÇÕES EM FUNÇÃO DA IMPRESSÃO - LOS COLORES INDICADAS EN ESTE FOLLETO PUEDEN SUFRIR ALTERACIONES DEBIDO A LIMITACIONES DE IMPRESIÓN - COLOURS IN THIS BROCHURE ARE REPRODUCED AS ACCURATELY AS PRINTING PROCESS ALLOWS
